THE ACADEMY THURSDAY NIGHT

Mister and Mistus Bobbins of Singin Skule Fame.

As there are many who still laugh when they recall the funny antics of Mister and Mistus and their komic skolars in the singin skule as given at the court house last season under the auspices of the ladies of West Market M. E. Church, it will be interesting to learn that these same gentlemen, Mess. Bertram and Willard, are the authors and directors of Capt. Dick, the entertainment to be given at the Academy next Thursday night—this week—by the Eagle Dramatic Co., for the benefit of Eagle Hose Co. They will both play leading parts and from the reports that reach us through exchanges from all parts of the state they will play them in a manner well worth seeing. Capt. Dick is a moral, refined and clean entertainment which is being given for the most part under the auspices and for the benefit of church societies of all denominations, many of its highest testimonials coming from the ministers. There is nothing that in any way offends the most exacting. It is hoped by Bertram and Willard that their many admirers of the Singin Skule who came out in such large numbers will attend their performance of Capt. Dick Thursday night and see their production which has been such a phenomeual success all through the state. The reserved seats go on sale at Gardner's drug store today. Prices, 25 and 50c. A large party is coming from Reidsville where last week the entertainment was given to an enormous ahdience and a return date booked for next season.

MR. RALPH BINGHAM.

He Will Appear at the Academy of Music on June 15.

The Ladies' Aid Society of the Centenary M. E. Church is to be congratulated on securing such a delightful entertainer as Mr. Ralph Bingham, who will appear at the Academy of music on Thursday night, June 15. Speaking of his appearance in Danville, the Register says:

The humorous, elocutionary and musical entertainment by Mr. Ralph Bingham at the academy of Music last night was an artistic and financial success and an occasion of very general pleasure. Even the inclement weather failed to noticeably diminish the crowd, for the audience was numerically and in point of personnel a fine one, and one of which the talented entertainer and the church under whose auspices he appeared may well be proud.

Mr. Bingham, though still quite a young man, has long been before the public, for his precocity as a platform entertainer brought him into prominence very early in life. His work last night was thoroughly satisfactory and enjoyable, his audience frequently manifesting pleasure and even enthusiasm. The program was a varied one consisting of recitations, violin solos, songs and anecdotes well told, the entertainer proving himself effective as elocutionist, violinist, singer, comedian and raconteur.

THE GOVERNOR'S APPETITE.

He Can Eat With Impunity Anything Set Before Him.

Georgia's chief executive has many good qualities, and in addition to his superb robust constitution, the governor also possesses what is coveted by many unfortunates—he has a good appetite. Like any ordinary mortal, however, he once suffered from indigestion, with all the distressing conditions which it produces. But he has found an unfailing remedy, however, and said recently:

"For many years my digestion was bad, but the occasional use of a bottle of S. S. S. has entirely cured me of this malady, and I now eat with perfect impunity anything set before me."

Governor Candler has also declared S. S. S. to be the finest tonic and blood purifier made. He has used it every spring for the past fifteen years.

Insubordination Corrected.

Some of the telephone exchange's colored linemen became engaged in an altercation near the Cape Fear Lumber Company's factory this morning and an officer was telephoned for and Chief Scott responded immediately, but peace had been reestablished when he reached the scene It seems that the colored boss became a little wrathy and made a few remarks which a subordinate saw fit to resent. They were both heavy men and the fight was interesting. Mayor Tayloy will sit on the case.

WANT A SLICE OF ALASKA.

Canucks Make Trouble Between England and America.

London, May 26—The foreign office officials confirm the statements made by the New York correspondent of the London Times to the effect that the negotiatians with the Canadian government on the subject of Alaska have reached an almost hopeless stage owing to the insistence of the Canadians that they receive a slice of Alaska, which apparently precludes any agreement being reached on the subject between the American and Canadian high commissioners.

All the morning papers prominently discuss the future of the Anglo-American commission with an apparent desire to pacify both Canada and the United States, though strongly disinclined to give the colony any lack of moral support.

RETALIATORY MEASURES.

Washington, May 26—There is little doubt that our government is inclined to retaliatory considerations against Canada by the discouraging results of the negotiations in London looking to the clearing of the field for the reassembling of the Canadian joint commission. It is gathered that the British foreign office which had been desirous to meet Mr. Choate's advances in the spirit of compromise that promised well, has been again influenced by Canada's refusal to agree to anything less than a concession of all of their demands which has stopped all progress.

The nature of the retaliatory measures is being considered.

BACK FROM DANVILLE.

Greensboro Baseball Boys Made an Encouraging Record.

The Greensboro baseall boys returned from Danville Saturday night as happy as any victorious team. They lost both games to the Danville Military Institute team, but in the last, they made the prettiest and most hotly contested game played on Danville grounds this season. Neither side scored until the fourth inning when Danville scored 1 and Greensboro 3 runs. In the fifth inning Danville scored again and from that time on to the sensational finish, the game was unusually fine. In the ninth inning the Danville boys scored two more runs and won the game, the score being 4 to 3.

Encouraged by their record in Danville some of the Greensboro boys will organize a local team which they are sure will win laurels on any field. The material is here and when the team is organized, challenges from Charlotte, Concord and other towns in the state, will be accepted.

ANOTHER HUNG JURY.

Sunday Meditations Over the Case of Jones vs. City.

The case of Jones vs. City of Greensboro, for damages caused by a falling limb, was given to the jury about 6 o'clock Saturday afternoon, and, like the jury in the furnace case, they failed to agree. Agreeing to disagree, at a late hour Saturday night, they asked for the where to lay their heads and Deputy Sheriff John Weatherly pointed them to the court room benches. After no little grumbling they went to sleep.

They remained "hung" all day yesterday and being no nearer an agreement last night they were conducted to the Planters' Hotel where they were huddled together on the floor. At 7:30 o'clock this morning they rendered a verdict in favor of the plaintiff for $400. It is understood that the city will again appeal.

TREDWAY-NEWCOMER.

Mr. R. A. Tredway and Miss Jennie Newcomer Married This Morning.

Mr. Richard A. Tredway, of this city and Miss Jennie Newcomer, of Baltimore, were married early this morning at the home of the bride's sister, Mrs. J. E. DeLorme, on North Elm street. Rev. Horace Weeks Jones, pastor of St. Barnabus Episcopal church, performed the ceremony, and Capt. B. J. Fisher and Col. John N. Staples were the witnesses.

Mr. Tredway is proprietor of the bar number 9 South Elm street and the bride is a sister of Mrs. J. E. DeLorme whom she is visiting. The happy couple will make their home with Mr. and Mrs. DeLorme until July 1st. The Telegram extends congratulations.

FAVORABLE TO ARBITRATION.

Ambassador White Will Present American Proposal This Week.

The Hague, May 27—Andrew D. White, the United States Ambassador to Germany and chief member of the American delegation to the International Peace Conference, announced yesterday that he would bring forward the United States arbitration proposal next week. The details of the proposition were not completed in time for yesterday's sitting. The principle of arbitration being admitted, the discussion yesterday turned upon the question of the permanence of the arbitration tribunal, to which a careful canvass shows a majority of the committee are favorable.

GOV. FLEMING GARDNER DEAD.

Chief Engineer of The Coast Line and a Veteran of Two Wars.

Wilmington, May 27—Col. Fleming Gardner, chief engineer of the Atlantic Coast Line, died suddenly this afternoon at Denmark, S. C., where he was superintending the survey and construction of a branch road of the Coast Line. Although 83 years old, he continued actively at work up to yesterday. He served in the Mexican war and in the early part of the war between the states; was on the staff of General J. A. Early. He was a native of Virginia.

Christian Scientists in Court.

Buffalo, May 27—United States District Attorney Emory P. Close has caused the arrest of George H. Kinter and his wife, Elizebeth, on a charge of manslaughter. It is alleged that they are responsible for the death of Ralph Lamont Saunders the 7-year-old son of Mr. and Mrs. Jas. C. Saunders. The boy, with his parents, had been visiting at the home of Captain Sample, of the Thirteenth regiment, at Fort Porter. He died there on Monday morning of pneumonia. The boy was attended by Kinter and his wife, who are Christian Scientists. A physician was not summoned until after he was dead. The coroner refused to issue a death certificate, and as the child died on a government reservation the investigation of the case was turned over to the United States authorities. Mr. and Mrs. James C. Saunders, the parents of the boy were also arrested this morning upon the order of District Attorney Close. It is alleged they were responsible for the child's death in not having called a physician to attend him.

THE SUMMER RECREATION

Of The President and Mrs. McKinley Being Arranged.

WILL NOT VISIT THE SOUTH

Before The Coming Winter, When Will Go as Far South as New Orleans and Florida.

Special to the Telegram.

Washington, D. C., May 29—At the white house arrangements are being made for the summer recreation of President and Mrs. McKinley. It has been decided definitely that the chief magistrate will take a western trip, probably in July, going as far as St. Paul, at any rate. Whether he will go further west has not been definitely decided, and cannot be until future developments in the Philippines become known. The president has hoped, and is still desirous of visiting this summer the great National Yellowstone Park, and also to pay a visit to the Pacific coast, and it is likely the former arrangements for this trip will be carried out, unless events not now forseen prohibit the President from leaving the national capital for so long a period. It has not been definitely decided either, as to when the President will visit St Paul, but he will make this trip conform to the time when the 13th Minnesota regiment, South Dakota regiment and other troops return home from the Philippine Islands.

The President's visit to the New England states, which he will shortly make, will be very quiet. In addition to going to Boston, he will visit Holyoke, and Springfield, Smith College at Northampton, Mass., and Mt. Holyoke College, at South Hadley. General Wheeler has accepted an invitation to deliver an address at Boston, on Memorial day, but has not decided upon what subject he will speak. It is most probable, however, that he will select some theme suitable to the nature of the day.

It is hoped that before the expiration of his term the President may visit the South, but if he does, it will not be before the coming winter. If events permit next winter he may go as far as New Orleans and Florida.

Among prominent southern men in Washington during the jubilee week was Hon. Hillary A. Herbert, for secretary of the navy. Mr. Herbert delivered one of the principal addresses Thursday afternoon in front of the white house at the request of the jubilee committee. Mr. Herbert's appearance on the platform was the signal for a great oyation. The former secretary is now residing in Washington city, having resided here during most of the winter and spring. He is living with his daughter Mrs. Micom. For some time the health of the secretary has been much better than it was immediately following the death of his younger daughter to whom he was much attached.

General Walker, of Virginia, is expected in the city this week former the purpose of being present at the opening of the testimony before the elections committee in his contest for a seat in the next house. General Walker is confident that he will be awarded the seat of Judge Rhea, but other Virginia republicans say that he has not much chance as he was defeated by republican votes. Friends of the general say that he has entirely recovered from the wounds he received some time ago at Bristol, Va., as a result of an altercation with his opponent during the taking of testimony. The general's health is also said to be much better than it was during the last congress when he was obliged to absent himself from the house for quite a period owing to an operation which he underwent during the session. A friend of the general stated the other day that he would be renominated for congress in the ninth district next year and would make the race again. It is understood that Judge Rhea will be a candidate for renomination by the democrats.

Chas. C. Hook, of Charlotte, North Carolina, has been in Washington for several days, taking in the jubilee festivities. He has also been here on a business trip.

George S. Sergeant, is stopping at the St. James hotel, accompanied by his daughter. They will return to their home at Greensboro in a few days.

What Henderson Says of Capt. Dick.

No play has been better presented on our local stage than was "Captain Dick" under the auspices of the Daughters of the Confederacy last Friday and again Tuesday evenings. Both times the house was simply packed. The play is a thoroughly moral and delightful one which charms and pleases the audience. Bertram and Willard are clever gentlemen and their many warm friends will give them a cordial welcome in Henderson whenever they again visit us.—Henderson Gold Leaf, Aug. 25 1898.

MONDAY, MAY 29, 1899.

M'KINLEY HAS GONE TOO FAR.

Against the protestations of a majority of the people of Lake City, S. C., President McKinley appointed a negro postmaster over the white people of that town. Several months ago the postmaster, with his wife and child, were most foully murdered by secret assassins. The deed was dastardly and cruel and aroused the most vehement condemnation all over the country. The government has done everything in its power to bring the murderers to justice but so far all efforts in that direction have proved futile.

Now the Washington administration, in its baffled spleen, has abolished the postoffice at Lake City and its citizens are compelled to go several miles away to the nearest postoffice to receive their mail. The postoffice department stubbornly refuses the repeated and persistent protestations of the Lake City people to reestablish the office.

Is this fairness on the part of the administration? Is it justice or wisdom to hold an entire community responsible for the act of a secret assassin or a band of secret assassins in its midst? Where is the government's right to presume that the LakeCity people are shielding the postmaster's murderers? If it has a source of such information it should also be able to discover the accomplices in the crime. The government has no right to deprive the innocent people of this South Carolina town of their natural rights, or to humiliate them with the suggestion that they are guilty of complicity in so base a crime. We venture the assertion that there are as good and loyal citizens in Lake City as there are in Philadelphia, and it is very unbecoming the justice and dignity of the American government to so unjustly discriminate against them.

And in the beginning McKinley was to blame. For he placed the negro over the white people of Lake City against their wishes.

Now comes from General Otis an official statement that he needs more troops, and that he must have them to hold what territory he now occupies Our army in the Philippines now consists of about 20,000 regulars and 16,000 volunteers. Additional regulars to the number of 5,000 will soon reach General Otis, and he will then have a force twice as large as that of Aguinaldo. Still, he says that more troops should be dispatched to the Philippines at once. The end still seemeth afar off. The rallying qualities of the Filipinos are most remarkable. We are quite sure that when the Washington expansionists contemplate the distressing problem on their hands they have an attack of "that tired feeling," and if the impulsive step made a few months since could be called back they would hasten to call it.

Commenting upon the great speech of Governor Northern at Boston, the Norfolk Landmark very truly and pertinently says:

The people of the north have something to think about when they read it. They are brought into abrupt collision with the everlasting truth.

The Indiana grand army at Terra Haute indorsed McKinley's Philippine policy.

The first part of an athelete's training relates to the care of the stomach. The nourishing quality of his food is considered. The quantity he eats is carefully weighed and measured. It is curious that this care of the stomach is looked upon as an extraordinary thing only to be practiced in special circumstances.

It should be every one's care. Life is a struggle for the prize of success. The man who wins must take care of his stomach. It is not lack of energy or exercise that has caused so many a break-down in the race. It is neglect of the stomach.

Incessant dull headache aggravated by eating, flatulence, gnawing in the stomach, heartburn, acid eructations, coated tongue, bad taste in the mouth, nervousness, mental depression, sleeplessness; these are only a few of the symptoms of a weak stomach and an enfeebled condition of the digestive and nutritive functions. Not all these symptoms will be experienced at once, but any one of them means danger.

"It has made a new man of me," is the constant testimony of those who have used Dr. Pierce's Golden Medical Discovery. This remarkable remedy has such a perfect control of the stomach, digestive and assimilative organs and blood making glands that it speedily corrects the derangements which weaken them, re-establishes them in healthy working order, so that once more the whole body—blood, brain, nerves and muscles—is nourished, and built up into rugged health.

"Golden Medical Discovery" contains no alcohol, whisky or other intoxicant. Its protracted use does not create a craving for stimulants.

The dealer's after the dollar and the customer's after the cure. Its the dealer with his eye on the dollar who proposes substitution. Let the customer keep his eye on the cure and insist on "Golden Medical Discovery."

Rheumatism Cured.

My wife has used Chamberlain's Pain Balm for rheumatism with great relief, and I can recommend it as a splendid liniment for rheumatism and other household use for which we have found it valuable.—W. J. Cuyler, Red Creek, N. Y.

Mr. Cuyler is one of the leading merchants of this village and one of the most prominent men in this vicinity. —W. G. Phippin, Editor Red Creek Herald. For sale by C. E Holton.

While Mrs. Henry Kiefer was leading a horse from a burning barn at Elmont, L. I., the frightened animal trampled her to death.

A Narrow Escape.

Thankful words written by Mrs. Ada E. Hart, of Groton, S. D. 'Was taken with a bad cold which settled on my lungs; cough set in and finally terminated in consumption. Four doctors gave me up, saying I could live but a short time. I gave myself up to my Savior, determined if I could not stay with my friends on earth, I would meet my absent ones above. My husband was advised to get Dr. King's New Discovery for Consumption, Coughs and colds. I gave it a trial, took in all eight bottles. It has cured me, and thank God I am saved and now a well and healthy woman. Trial bottles free at C. E. Holton's drug store. Regular size 50c and $1. Guaranteed or price refunded.

Causes of Loss of Hair

Dr. Sabouraud, the eminent French Dermatologist, says that 98 per cent of hair losses are the results of microbes and the neglect of dandruff. The antiseptic action of

SEVEN SUTHERLAND SISTERS'

preparations kills microbes and removes dandruff. Their constant use for a period will, by acting directly on the hair bulbs, furnish nourishment, vitality and growing power to the impoverished roots and hair shafts, resulting in complete restoration.

GOV. CANDLER PRAISES S.S.S.

He has Used it for Fifteen Years, and Declares it is the Best Blood Purifier and Tonic Made. Strong Words from Georgia's Chief Executive.

There is not one person in a hundred whose system can successfully withstand the severe drains of the Spring season without the aid of a tonic. All of the accumulated impurities of a year must now be eliminated, and this causes a struggle which usually results in a breakdown. A few bottles of S. S. S. just now will thoroughly purify the blood, improve the appetite and give tone and strength to the whole system. Most important of all, S. S. S. will so perfectly remove all impurities as to fortify the system for successfully resisting the many dangerous forms of sickness so prevalent during the summer

No Georgian is as near to the hearts of the people as their beloved Governor, Allen D. Candler. Faithful to every trust, his rugged honesty is his shining virtue. His word is accepted far and wide, for he never gives an endorsement without absolute knowledge of the merits of an article. Governor Candler has used S. S. S. for fifteen years; he knows that it is made of the native roots of Georgia—that it contains no drugs of any description—and he unhesitatingly says that it is the best tonic he ever used.

S. S. S. is the only tonic which contains no potash, soda, arsenic or other dangerous stimulant.

You need S. S. S. and need it now. A few bottles will thoroughly cleanse the blood, improve your appetite, and renovate your system. Insist upon S. S. S. and take nothing else

The Governor's Unqualified Endorsement

STATE OF GEORGIA,
Executive Office.
Atlanta, May 8, 1899.

I have for fifteen years used S.S.S. as a remedy for rheumatism and as a tonic. It is unquestionably a good blood purifier, and I am sure the best tonic I ever used. For many years my digestion was bad, but the occasional use of a bottle of S.S.S. has entirely cured me of this malady, and I now eat with perfect impunity anything set before me.
A. D. CANDLER.

Tell your friends that you paid only $15 or $20 for it and they won't believe it. Don't seem credible. Tell them it cost anywhere from $25 to $40—they'll believe that. while your pocketbook has at least $10 the best of it. Memorial Day.

O'er the breadth of a great republic,
From ocean to ocean borne,
Wherever the stars of her banner
Gleam out to the light of morn;
From the depth of her grain-sworn valleys,
The slopes of her wooded hills,
In the song of her wind-swept prairies,
The rhyme of her peaceful rills,
Comes the noiseless tramp of an army,
Shadowy, silent and gray—
An army, though vanished its legions,
Yet lives in our hearts today. . . .

Not with branches of yew nor cypress,
But with roses and blossoms sweet;
With amaranth and laurel above them,
And heart's ease fair at their feet;
While softer than winds of the summer
And sweeter than rose's bloom,
Are the memories and love which gather
And brighten each silent tomb.
And though time in his march triumphant
Bends all to his final sway,
Yet the touch of the Great Eternal
Is nearer than he today.
—Beatrice Harlowe in Woman's Home Companion for May.

Seeking Rest, Or Health Or Pleasure?

Then Read This:

Mt. Vernon Springs Hotel will open in a few days for the reception of guests. The waters from the Mt. Vernon Springs are equalled by few and surpassed by none in the state for medicinal and curative properties. Some of its cures are almost miraculous. Its taste is pleasant, cool, palatable and refreshing, and you enjoy it from the first. The springs are surrounded by great natural beauty. Around the premises is a dense oak grove and the air is pure and invigorating.

This most desirable of health and pleasure resorts is located just one mile west of Ore Hill in Chatham county. For further information address the owner and proprietor,

ATTEMPTED BURGLARY.

Mr. George S. Sergeant Frightens a Bold Intruder Away.

The boldest attempt at burglary that has been made in Greensboro for some time was made last night at the home of Mr. George S. Sergeant on Arlington street. At a late hour in the night, the rattling of a window, which opened on to the roof of a single story addition to the house, awakened some of the family and Mr. Sergeant and his son Harry went out to investigate. Reaching the rear yard they saw a man decending from the roof on a ladder, but having neglected to arm themselves could not safely demand his surrender. He ran into the front yard. They were within a few feet of him and think that he was a white man.

After procuring pistols Mr. Sergeant and Harry searched the premises but the would-be burglar could not be found. They were led to believe that he had a partner who remained in the front yard, while he was on the roof.

B. B. BOLDEN ELECTED MANAGER

The Dispensary Directors Make a Good Selection.

B. B. Bolden will manage the Greensboro dispensary. The board of directors held a meeting Saturday night and elected him to the position of manager. They also decided upon the building on the corner of South Elm and Fayetteville streets, now occupied by Coble's bar, as the best place for the dispensary. There are several candidates for the dispensary clerkship and the directors seem to be unable to decide upon one.
